EDITORIAL:

Upsets, close games and top class football — they were the three main features to come out of the first round of league fixtures last Sunday.

The wins by Mandurah, Armadale, Kwinana and Kenwick all contained an element of surprise and the fact that three of the five games were decided by a margin of three goals or less, justifies league officials' pre-season optimism for an even competition.

Will Kenwick and Armadale merge as the competition's "dark-horses"? Are Gosnells on the skids? Are Maddington potentially a five-goal better side than last season? Was Mandurah's win based on enthusiasm or ability?

These were just a few of the posing questions to also come out of a very interesting round.

The wins by Kenwick, Armadale and Mandurah gave the competition an early season boost. In fairness to Kenwick, it should be said their win was the most impressive because of the comparative strength of their opponents, Kelmscott.

But as all three sides finished in the bottom half of the table last season, they can be well pleased with their successful opening to 1976.

Maddington looked a powerful combination against Gosnells and an even more ominous sign for the other clubs was the fact that they didn't really "get it together" until the last quarter.

Kwinana took the points against Thornlie but the four-point margin showed both would still be in the top bracket of clubs this season.

Of last week's losers, Gosnells and Kalamunda were the most disappointing. There was room for improvement in both performances and Peter Dougan and Ken Smith will both be looking for it today.

FOOTBALL GAZETTE NO. 2.

Proposed W.A.N.F.L. Sunday Fixtures:

League officials this week expressed their concern at State Cabinet's decision to allow two W.A.N.F.L. games to be played on Sundays later this season. The games will be played on Sundays June 6 and 13.

League President, Mr. Reg Blackburn, said the league would look into the decision immediately. He said the move would not only affect Sunday games but also the 700 juniors that come under the jurisdiction of the ten clubs.

Mr. Blackburn said he was very disillusioned at the short-sightedness of the W.A.N.F.L. in making application for the games.

The Premier, Sir Charles Court, emphasised the move was an experimental one.

Today's Games:

Thornlie and Gosnells, finalists from last season but first up losers, will be desperate for points when they meet at THORNIE OVAL. Thornlie were far more impressive in defeat last week than were Gosnells and they have the big man power to capitalise on Gosnells' lack of height. Brothers, Bob and Stephen Whyte, both made auspicious debuts for the "Lions" AND IF THEY CAN AFFORD THE LUXURY OF Fred Seiner at full-back, they look strong enough to win.

Kenwick will be put to the test against Kwinana at MILLS PARK. Kenwick have been strengthened by the inclusion of Neil Dedman and John Risely but they may lack Kwinana's overall strength.

MANDURAH OVAL will be no place for the faint-hearted when the home side clashes with Canning. The visitors will be a tough proposition in these close conditions but the enthusiasm and confidence whipped up by last week's win, may stand Mandurah in good stead.

Armadale's pace could be a telling factor against Kelmscott at the GWYNNE OVAL. Armadale have talented smaller players in Max and Peter Van Helden and coach Gary Greer was quick to get them operating as one unit.

Kalamunda's early season plight can only get worse as a result of their game against Maddington at MADDINGTON. The home side looks too talented for the Kougars and they should consolidate their position.

TALK OF BULL

Last Sunday saw the Bulls emerge victorious in both games by comfortable margins. This was a good start to the season; a season in which we naturally aim to be Double Premiers.

The seconds won their game the hard way with some inaccurate kicking for goal and lapses of concentration at times, but this talented side should eradicate any problems before very long.

Best players were Mick O'Halloran (consistent display on the ball), Brent Anderson (a great debut into senior football), Russell Jarvis (except for a couple of those kicks), Peter Johnston (eclipsed his opponent completely) and newcomer Dave Anderson (kicked 3 courageous goals in the last quarter).

The new-look League side had little difficulty in over-running last years Grand Finalists and won by 12 goals. The new players in the side showed great promise, particularly Ted Weir.

The defence was very tight and provided the springboard for most of the attacks. Rod Mohr and Jim Dominelli were outstanding in this division. Jim Di Carlo and Paul Mountain reigned supreme all day on the ball, while Noel (Murky) Knight was another to weigh in with a good contribution.

The Club is very pleased to have Dennis Cometti and Barry Stockden as League and Seconds coaches respectively and also would like to welcome back 'old' players Lindsay Reynolds and Guy Sherrington.

We would like to welcome all of the new faces to the club this season and in particular those from Junior ranks; namely Dave Hayden, Dave Proctor and Brent Anderson.

The Players' Tea held on the Friday prior to the first game proved most successful and it was pleasing to see such a good attendance by the players. Dave Anderson, endeavouring to become friends with his team-mates-to-be, tried to light up a smoke for Russell Jarvis and 'accidentally' set fire to Rusty's beard. A fire extinguisher was promptly grabbed but proved to be unnecessary. The thought was there, anyway, Dave.

Today we meet Kalamunda, who cannot be taken lightly in either game. We look forward to spirited opposition from them and welcome them to join us in a couple of quiet ones after the game.

THE BULLDOGS

The Bulldogs were ably assisted by Kenwick to maintain their unenviable record of not winning a first round game for five years. At the half-time siren the Bulldogs were down by 4 goals, despite equal opportunities and credit must be given to the Kenwick defence. Kenwick clicked as a team early in the game and their vigorous display of play-on football and backing-up in the first half won them the day. After half-time a more determined team of Bulldogs clamped their jaws and gave their supporters proof that they shall be a force to be reckoned with this season. Most encouraging was the early form shown by defenders Glen Mezger and Eric Buckingham. Their tenacious play kept the Bulldogs in striking distance. Andy McIntosh roved tirelessly and was the spearhead for many of the Bulldog forward moves. In the Reserves, the clash between last seasons grandfinalists was disappointing to the spectators, however, the recuperative powers of Bulldogs are excellent and both sides will shortly prove it!

IN THE LIONS LAIR

Last Sunday saw the 'lions' record a fighting win over Kwinana in the Reserves. Each and every player can be proud of the way they turned a five goal deficit into a 5 point win. One of the best efforts put up by a Thornlie Reserve side and full congratulations to new coach, Dave Morcom. Best players - Harry Zanetti, Steve Vickers, Laurie Hunt, Paul Deters, Bruce (Mad Dog) Comley.

In the League game we saw Kwinana jump to a 3 to 4 goal lead early in the game. From there on a real struggle developed with sides using tremendous vigour. Slowly but surely, and with great desperation Thornlie reduced the margin to a meagre 4 points before the siren sounded. A disappointing result for a lot of hard work. Best players - R.Whyte (7 goals), S. Whyte, F.Seinor, C.Duncan, I.Crawford.

Today we play Gosnells at home, which should prove to be a very even and exciting clash. On last weeks effort, it will only require the League to improve slightly and the Reserves to maintain their form for the 'Lions' to record their first double of the season.

THE HAWKS

As predicted, our first game of the season was not indicative of things to come. Despite our defeat, due mainly to lack of condition, our new players in Arthur Jones, Karl Palinkas and Don Kitson, acquitted themselves extremely well. As the team is moulded supporters can look forward to seeing a real force on this year's competition.

We are looking forward to meeting Thornlie today and the team is very confident of victory.

Our reserves team performed creditably against Maddington in their first game of the season despite rain and the lack of a favourable breeze in the last quarter. The club welcomes the return of Greg Hambleton, who put in an encouraging effort and it appears he has his sights set on making the League side in the near future.

We were delighted to see some visiting football officials along at last week's game, all the way from East Fremantle Football Club and we encourage their interest and patronage.

Social News: Players and supporters are invited to a cabaret at the Percy Garrett Social Rooms on Friday, 30th April, tickets are available from Social Club Manager, Frank Sochacki.

Club membership is now due and nomination forms can be obtained from the Secretary or any committee-man. Membership is \$12, or Associate membership \$4, which includes admission to all home games, as well as the normal club privileges.

THE KNIGHTS NOTES

After taking a bit of rubbishing from a few quarters following our poor scratch match efforts last Sunday's win was most gratifying. However, it was courage and persistence rather than good team football, which won the day. We still have a long way to go in this regard and there must be at least five goals improvement in the side. With still a couple of players to return, we will be a threat to any side we come up against.

Noel Vanheythuysen's effort was a great one and he stood out in a team where there were a lot of good players without many being outstanding. Others to do well were Don Baskerville, Mick Indich, Dave McGlade and Brian Keep.

After looking certain winners at half-time, the reserves finally went down by a few points but until the rain came they played their best football for some years. Good players were Sandy Muir, Ron Roberts, Ted Riseberry, Doug Ridley and Les Smith. Congratulations to Ted and Sandy in being elected Captain and Vice-Captain.

Social Notes: Tickets in our big raffle will be available shortly. Prizes are a Ford Escort XL sedan, a 22" colour television set and \$500 worth of Hi-Fi equipment. Supporters, don't just buy a ticket - sell a book. You could be in for a pleasant surprise if you do!

MIGHTY ROYALS

The 'Mighty Royals' kicked off the season last week on a successful note by defeating Kelmscott convincingly in both League and Reserves. A pleasing feature in both games was the way in which the new players in the club contributed greatly towards each win. This was especially so in the League, where 'Big' John Risely who used his bulk all day, Kevin Dale also in the ruck and 'Nipper' Truscott and Kim Lynch in roving roles all teamed in with the rest of the players.

Best players in the League, apart from those already mentioned, were Kim Wilson at centre half back who looks set for another great year, 'Sundance' Worthington on a half forward flank and the reliable 'Dusty' Dillon at full back.

The reserves game proved to be a one sided affair and the only interest was the margin that the Royals would win by. This being 15 goals. Best in the game were George Pomesbach, Tom Quinn, Darry Ogg, Wayne Hanson and the Holbrook boys.

Although we defeated Kelmscott last week all players need not think that the rest of the games will come easy. The pressure and enthusiasm must be maintained if we are

going to be a force to be reckoned with.

It is hoped that Kim Lofts will recover from his injury soon and that it will not be much longer before he dons a Royals jumper.

Social: Become a member of the K.F.C. - pay your fees to Arthur Mills now - Only \$12.00 males and \$8.00 females. DEMONS DIGEST

'NOT FOR NIX - IN '76!'

Today, folks, we make a short journey up the road to take on Kelmscott F.C., the 'Bulldogs', our local Derby rivals, so there is a double incentive here for winning both games, fellas!

At Canning last week, the reserves showed that they will have a lot going for them, despite narrowly losing by eight points. At the forefront in the Demons' efforts were Capt. 'Fish' Heron, Matt O'Mara, Royce 'Wilko' Wilkerson and 'Mr. Reliable' himself, Mike Bingham. Congratulations to Johnny Rowe on his appointment as reserves coach. Best wishes for a successful season, Johnny Boy.!

The League side gave the large crowd of Demon supporters (more than the home team, in fact) every thing to cheer about. All twenty players put their heart and soul into the game. At the half-time change over Demons lead by only 2 points. The switching of 'Trotter' to full forward was a masterstroke, one of 'Trotter's' marks in front of goal was an absolute gem. The Demons opened up a four goal break in the third quarter. It was this quarter that belonged to back pocket player Peter 'Tubby' Wilkes. His marking, spoiling, kicking and anticipation that stopped Canning time and time again from catching up. A superb effort Peter, old son! Every player deserved a vote, a great team effort. However, one player, in my book at any rate, did everything required of himself, in his customary quiet, unassuming manner, which often keeps him out of the spotlight, and that is Johnny Erceg. Great effort John!

The Sponsor donated tacksuits for the League side - were most impressive, giving the side a touch of class and professionalism. Our thanks to all our generous sponsors.

TIGER TALES

Congratulations to our seconds side on their fighting win over Armadale last week. Determination was the keynote to their success and had our League side applied themselves in a similar manner, we would well have made it a winning double. It was Armadale, however, who possessed the greater desire for the ball and subsequently ran out worthy winners by 18 points. Let's hope the League side can gain by the experience and acquit themselves in a better manner against our opponents today in Mandurah.

Trophy winners for last week were :-

Seconds: Geoff Reynolds and Geoff Mangine

League: Murray Nish, Peter Kimberly and Greg Sladden

Coach's award went to Gordon Hunter, who impressed with a good performance in the back pocket.

Interesting to note that Murray Nish is still eligible to play in the under 18 competition and his display last week indicated that he has a bright football future in front of him.

Ron Wilcox and John Vlahov both received injuries last week and will probably miss today's game.

Reminder again that membership is now due at \$15 and part or full payment may be made to Treasurer Neville Vellacott. Blazers, too, are now available and those wishing to purchase one should contact an Committeeman.

All those who backed Dominya Ra last week will, no doubt, be disappointed to learn she has been sent for a spell but are advised to start saving now for Xmas!

Best of luck for today's games. It's a pleasant drive to Mandurah and an even pleasanter one home with 4 points on the board.
